PRESERVE YOUR MEMORIES OF THE OLD 'ARENA'

On July 31, 2010, the R. I. Reds Heritage Society dedicated a commemorative plaque at the former site of the R. I. Auditorium at 1111 North Main Street in Providence through the cooperation of The Miriam Hospital, now owners of the property. Most of us have many precious memories of the old "Arena," which served as home of the R. I. Reds for 46 years: 1926-1972.

Today the Society is making available to the general public a 6" X 4" exact replica of that commemorative plaque. This unique collectible is delicately etched into solid brass, finished in 24kt gold and beautifully silkscreen with authentic colors, highlighting all the distinctive features of that old building. Your plaque will be mounted a wood base suitable for desktop display, or can be framed for wall decoration. The cost is just \$100, which includes shipping charges. R. I. residents must add state sales tax of \$7.

Order yours today and forever enjoy enduring memories of our R. I. Reds and the old R. I. Auditorium.
